Radicado No. 20193115833913 MDN-COGFM-COEJC-SECEJ-JEMGF-COPER-DIPER-96.1

En este sentido, el Ministerio de Defensa Nacional – Ejército Nacional, requiere con inmediatez y diligencia que en su momento usted como contratista, efectuó el reintegro en el mes de diciembre de 2018 de los recursos auditados en primer momento por la Contraloría General de Republica; de igual modo, con este actuar pro institucional, máxime cuando es situación adversa, la gestión, control, seguimiento y facturación que a su firma compete como proveedor.

Lo que es más importante, el reintegro oportuno de los recursos públicos a la Dirección General del Tesoro Nacional a la cuenta corriente No. 61011516 del Banco de la República por valor de total de \$260.791.482 equivalentes a tiquetes sobrefacturados, en aras de evitar sanciones de carácter penal, disciplinario y fiscal en su calidad de contratista del estado; por lo tanto, estamos convencidos de su actitud honesta y conciliadora, más aún por tratarse de recursos públicos.

Ahora bien, queda pendiente por esclarecer por parte de esa agencia si los 507 tiquetes corresponden a funcionarios de otras entidades a la cual tenían suscritos contratos con ustedes, lo cual generaría reintegro de recursos adicionales listado que fue suministrado por el supervisor mediante oficio de Radicado No. **20193115396223**: MDN-COGFM-COEJC-SECEJ-JEMGF-COPER-DIPER-96.1 el pasado 15 de octubre del presente año.

Por último, me permito informarle que la comisión auditora del estado tiene previsto la verificación de solución de novedades anteriormente mencionadas a partir del 24 de octubre del presente año, fecha en la que debemos reportar el reintegro exigido en el presente requerimiento.

Cordialmente,

Teniente Coronel JUAN PABLO SANCHEZ MONTERO  
Supervisor orden de compra No. 16741
